## ISO Transformers.

2021-01-01

### Pricelist for customers inside the European Union (EU).

Shipping from the Netherlands.

Due to the ever changing Yen-Euro exchange rate, the prices below are only a first indication.

Prices are based on a Yen-Euro exchange rate of 0,00800

When you want to know a more accurate price, multiply the prices below with  
(current Yen-Euro rate)/ 0,00800

For example:

Yen-Euro exchange rate on 2020-11-02 was 0,00825.

FC-40-10SE = 886.65 Euro incl. VAT. (see below)

$0,00825/0,00800 \times 886.65 = 914.36$  Euro incl. VAT (price on 2020-11-02)

Pricelist for customers outside the EU.

We also have a ISO pricelist for shipping outside the EU.

When you live outside the EU, the transformers will be shipped directly from Japan to you.

Customers from inside the EU may notice that their prices in are a little bit higher than the prices with shipping directly from Japan (outside the European Union). This has to do with import tax and custom fees. When you would receive the transformers directly from Japan, you will have to pay import tax and customs fee. When you are inside the EU, the transformers are shipped from the Netherlands and we have already paid these taxes (and so there will be no additional costs for you when you receive the transformers).

Prices are in **Euro** and for **1 transformer**.
